Course Goal

This short, intensive, practical, highly specialized and comprehensive course will improve the flight dispatchers' perception of their work.

Course Background

Beyond the usual daily flight planning tasks the flight dispatcher is occasionally confronted with special situations. By NOTAM restricted Airports, inflight re-clearances, special weather phenomena, NAT/ETOPS traffic and more are part of this course. One focus is an interactive session and dialogue with the instructor to be prepared for any of such events and occurrences.

Tuition fees

The tuition fee for this course is **420,-EUR** excluding tax. After completing the application form, you will receive a confirmation as well as an invoice. Payment is due upon receipt. Cancellation 30 days or less prior course begin shall entitle ASISTIM GmbH to charge 50 % of the tuition fee. Cancellation 14 days or less shall entitle ASISTIM GmbH to charge the full tuition fee.

Certificate

All students earn a certificate after completion of the course and passing the exam by more than 80%.

The certificate confirms that the recipient has successfully completed the attended courses and also displays the training content as well as the total classroom hours.

Accommodation

We hold a limited number of hotel rooms at special conditions for our course participants. In case you need accommodation, please contact our Training Department as early as possible.
