## **Course Goal**

This short, intensive, practical, highly specialized and comprehensive course will improve the flight dispatcher's perception of his work.

## **Course Background**

To improve the communication between pilots and flight dispatcher, ASISTIM initialized this new challenging and apprehensive course. Guided by a TRI licensed pilot the flight dispatcher will be confronted with critical situations, e.g. crosswinds. Proven knowledge and experience of the attendees are a requirement to guarantee a successful simulator session.

**Every student will have an one hour slot in the simulator (about 30 minutes as pilot in command) to experience live weather situations followed by a detailed debriefing.**

## **Tuition fees**

The tuition fee for this course is **950,- EUR** excluding tax. After completing the application form, you will receive a confirmation as well as an invoice. Payment is due upon receipt.

Cancellation 30 days or less prior course begin shall entitle ASISTIM GmbH to charge 50 % of the tuition fee. Cancellation 14 days or less shall entitle ASISTIM GmbH to charge the full tuition fee.

## **Certificate**

All students earn a certificate after completion of the course and passing the exam by more than 80%.

The certificate confirms that the recipient has successfully completed the attended courses and also displays the training content as well as the total classroom hours.

## **Accommodation**

We hold a limited number of hotel rooms at special conditions for our course participants. In case you need accommodation, please contact our Training Department as early as possible.
