The ASISTIM GmbH based in Hanover, Germany is a growing service provider in the area of commercial flight operations. In our customer portfolio are executive operators and international airlines of all sizes. ASISTIM offers services in operational flight planning (Dispatch Service), IT services for flight operations under the brand aerocloud.biz and a worldwide operating Flight Dispatch Academy.

The ASISTIM Academy focuses on initial flight dispatch training and regular recurring refresher courses for Flight Dispatchers and Flight Operation Officers in a seminar program. With our modular based training aviation companies who undergo an IOSA audit fulfill the prescribed training requirements in accordance with the ICAO doc. 7392-AN 857 Part D-3.

For further expansion we require a dynamic and experienced **Freelance Trainer** to support our team.

Your tasks:

- ✘ Performance of trainings either international at the customer's side or at ASISTIM's training facilities in Hanover, Germany
- ✘ Performing dispatch training according the requirements of ICAO doc. 7192-AN/857 Part D-3 and special topics such as:
 - Navigational Chart Reading
 - Special Performance
 - Traffic Rights
 - US Flight planning
- ✘ Representing the ASISTIM Academy
- ✘ Customization of training material

Qualifications / Requirements:

- ✘ Fluency in English is a must, any additional language is a plus
- ✘ Flight dispatcher license is mandatory, an ATPL is appreciated
- ✘ Proven track record in an airline environment
- ✘ Experience as ground instructor
- ✘ Ability to work 5-10 days in a row on multiple occasions each quarter
- ✘ A high willingness to travel for our international trainings
- ✘ Social competence; strong communication skills, team player
- ✘ Strong training skills
- ✘ The ability to quickly become familiar with new issues
- ✘ The ability to adapt the knowledge level of the course attendees
